

MHA SUPPORT GROUP

Lemonade

Widows Support Group

Lemonade is a widow's support group intended to provide a safe environment to share grief and discuss struggles we experience after loss.

Join to share, listen, ask questions or simply be with other women who understand your feelings. You do not have to face it alone. This group is not only focused on grief but also on support and recovery through compassion and encouragement.

1ST TUESDAY OF THE MONTH

Location: Rogers Behavioral Health
(Main Entrance) 1108 Wildwood Ave.
Sheboygan

6:00-7:30pm
